## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2022 LEGISLATIVE SESSION

-

**Analysis**

This bill amends AS 14.35 relating to vocational education by adding Article 2 - Concurrent Vocational Education, Training, and On-the-Job Trade Experience Programs, and requires that instructors under these new programs submit fingerprints and required fees to the Board of Education and Early Development (board) for purposes of a national criminal history record check prior to issuance of an instructor certificate.

The bill also amends AS 12.62.400(a) relating to national criminal history record checks for employment, licensing, and other noncriminal justice purposes by adding a new paragraph to authorize the Department of Public Safety (DPS) to submit fingerprints received by the board to the Federal Bureau of Investigation to obtain a national criminal history record check of a person for the purpose of evaluating the person's qualifications for an instructor certificate under proposed AS 14.35.125.

Should this bill pass, the number of fingerprint submissions DPS would receive from the board for national criminal history record checks for an instructor certificate cannot be estimated. However, it is anticipated that this work can be absorbed with existing resources. Therefore, a zero fiscal note is being submitted.
